### IS IT CRAAP?

**Evaluating Web Resources**

<table>
<thead>
<tr>
<th>CURRENCY</th>
<th>RELEVANCE</th>
<th>AUTHORITY</th>
<th>ACCURACY</th>
<th>PURPOSE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Timeliness of the information</td>
<td>Importance of the information</td>
<td>Source of the information</td>
<td>Reliability and truthfulness of the information</td>
<td>Reason the information exists</td>
</tr>
</tbody>
</table>
| - When was it published?  
- Has it been revised or updated?  
- Do you need current or historical information? | - Does it relate to your topic?  
- Does it answer your question?  
- Would you be comfortable citing this source in your final project? | - Who is the author?  
- What are the author's credentials?  
- Is there contact or publisher information available? | - Where does it come from?  
- Is it supported by evidence?  
- Can you verify any information in another source?  
- Any errors? | - What is its purpose?  
- Do the authors make their intentions clear?  
- Is the point of view objective and impartial?  
- Is it biased? |
